

Need affordable **CHILD CARE?**

GOOD NEWS! New York City is expanding access to child care vouchers!

CHILD CARE VOUCHERS

Child care vouchers help cover the cost of child care at hundreds of home-based and center-based child care providers across the city, and can also be used to pay approved relatives, neighbors, or friends for child care.

Child care vouchers can be used for children from six weeks to thirteen years old (or up to 19 years old for children with disabilities), all year round. Once you qualify and find an available seat at the provider of your choice, your child can begin any time.

ELIGIBILITY

Your family may qualify for a child care voucher if 1) your family's income falls at or below 300% of the Federal Poverty Level and 2) you have one of the following reasons for seeking child care: you are working, are in school or training, have been looking for work, live in temporary housing, or are attending services for domestic violence.

Check your eligibility and apply at nyc.gov/childcarevouchers or call (212) 835-7610 for more information.
